Sermon

Sermon Response

Offering

Communion

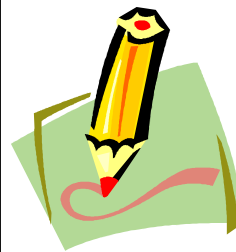

Prayer of Thanksgiving

Closing Song

Benediction

*Merry Christmas!*

**CONNECTION CARDS!**

Connection Cards are the way to help us stay connected and current. We ask that everyone please fill out the card each week! On the front of the card is where you provide your contact information and indicate your status of guest, member, regular attendee, etc. On the back of the card is where you can list prayer requests, volunteer for various ministries and request further information. Filling out the connection card helps us help you! Please place your completed card in the offering basket as it goes by! Thanks!

**Church Office Clean Up Day!**  
Saturday, January 7, 2012  
10:00 am

The church office is in need of some organizing and cleaning up (and maybe a little painting)! Join us for a work day to get the office spruced up and ready for the new year! Mark your calendars for this day of work, fun and building friendships!

We want to say "Thank You" to the Big Easy MCC board of directors and congregation for your generosity show to us with the gift card and love offering!

We appreciate your expression of love and kindness!

**Getting to Know You!**

Pastor Rick is setting aside some time each week to connect and get better acquainted with YOU! If you'd like to schedule a time to meet with him, please sign the sheet on the visitors table located at the entrance to the sanctuary. A variety of time slots are available. All meetings will take place here at the church unless other arrangements are made prior to the meeting!

*Ministry Volunteers Needed!*  
*How is God calling you to serve?*

On the back of the Connection Card is a place for you to sign up for the areas of ministry you would like to help with. Please check all that apply!

***In order to help everyone know how the ministries are to be fulfilled, a ministry training will be held on Wednesday, January 11, 2012 at 7:00 PM here at the church for all volunteers!***

**No Parking Allowed!**

Just a reminder that the parking lot on the corner of Willow and Carrollton (behind the library) is not available for parking. Please find parking on Carrollton and on the adjacent streets! Thank you!
